U S C C CERTIFICATES

The USCC Certificate for the best exhibit of  
Cancellations at the Twin City Stamp Show at  
Minneapolis in March was awarded to Mr. E. M.  
Zwickel of St. Paul for his early USA Fancy  
Cancels.

At the Denver Show in May the Certificate  
was awarded to Mr. Stanley Thompson of Minnea-  
polis for his exhibit of USA Stamps of the  
Civil War Period.

We have Certificates for awards at other  
Exhibits. If your local Clubs are having shows  
and are to have exhibits of Cancellations,  
please contact the Secretary or Mr. Johnson far  
enough ahead to get the Certificate to you. We  
believe this is excellent publicity for the  
Club but we have to depend on the members to  
initiate the operation of awarding these Certi-  
ficates.

All of you have been most helpful in interesting new members. Please keep up the good work. Many collectors of Cancellations do not yet belong to USCC. They can help us and surely we can help them. Ask them to join. Most of you have application blanks. If not, the Secretary can send some.

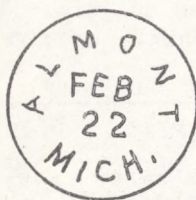

SALES DEPARTMENT

For several years your sales manager has been supplying a "Cover Book" @ 15¢ each which was designed especially for the extra protection we wished to afford the more valuable items. Our supply of these books is nearly exhausted. Since the actual cost, even in large quantities, of producing them now would be over 15¢ each decision has been reached to discontinue them when the present supply is gone. If you have covers warranting extra protection we suggest you enclose each one in a glassine envelope. Notations can be made on the glassine with black ink or with soft lead pencil. Up to 20 items can then be enclosed in the regular 5¢ Cover Envelope. This will be less expensive for members and will not increase the Sales Department's investment in material. Probably the #5 Glassine Envelope 3½ in. x 6 in. would be the right size in most cases. If you are unable to get them conveniently the Sales Department can do so for you. The price for this size will be 60¢ per hundred postpaid, other sizes and other quantities also available.

We've all seen or heard about the "NIX" from Woonsocket Falls, R. I. on #65, but this "NQ" with a reversed "N" from Almont, Mich. on #210 is new to me and all the Michigan collectors I've talked with and the dealers as well. The cover was in the late Dr. Lewis collection, acquired by J. E. Rasdale, a dealer, and now rests with my Michigan covers. Almont is a small town in southeastern Lapeer County.

No year date on the cover, but from all I have been able to learn, was early 1885.

Have you any information on the cancel?

Robert H. Schoen.

NEW INSURANCE REGULATIONS

Effective July 1, 1955 we have secured for the Sales Department a new all-risk Insurance Policy. Coverage is the same as it always has been except that it is no longer necessary to insure parcels post shipments nor to register first class mail. All express charges for such material as ours include Ins. Coverage for \$50.00. Cost to owners of the material is not increased. It still will be 1% per annum of original value with a minimum charge of 15¢ on each book or Cover Enclosure.

We ask only that each member in forwarding a circuit make a special effort to have it properly packaged and wrapped securely and addressed legibly.

NEW MAST HEAD

You have seen our new Mast Head. We hope you approve. We believe a "New Look" from time to time is probably an improvement Per se. and to us this one looks very fine. It was designed by the well-known artist and philatelist, Mr. Ray Van Handel of Sheboygan, Wis. and presented to the Club by our busy First Vice-President, Mr. Burleigh Jacobs. Our sincere thanks to Mr. Van Handel and Mr. Jacobs.

LOCAL POST

Mr. Lewis Leigh, RFD #1, Chantilly, Va., one of our members, started on Jan. 8, 1955 operating the ROCKY RUN LOCAL POST. His neighborhood gets RFD service at about 10:00 A.M. At about 3:30 he picks up the outgoing mail and delivers it to the Chantilly Post Office, a distance of about 2 miles. He will be glad to service addressed and stamped covers for collectors at his regular fee of 5¢ for each one. The stamp he uses is very attractive.

CANCELS IDENTIFIED

Members Robert H. Schoen and James Littleton have written that cancel #9 on front page of the April QUARTERLY is from Ann Arbor, Mich. used by Harry Nichols, clerk from 1883 to 1887.

Mr. Littleton also identifies Cancel #123 on page 97 of the January, 1954 QUARTERLY, used at Tyngsboro, Mass. on several issues including the 2¢ Trans-Mississippi.

MICHIGAN POSTAL HISTORY

Several of our members are active in the MICHIGAN FEDERATED STAMP CLUBS. They are studying the postal history of their localities and of their State. Their publication THE PENINSULAR PHILATELIST, a copy of which was sent in by Mr. Starnes looks really interesting and well produced.
