WICHITA

As announced on page 37 of the July NEWS, USCC will hold an exhibition in Wichita, Kansas under the sponsorship of the Wichita Stamp Club on October 13-15, 1961. Members wishing to attend should make their hotel reservations as early as possible since 1961 is Kansas' Centennial Year and a number of conventions are being held in Wichita.

Also, although it seems a long way into the future, members wishing to exhibit should make tentative reservations for frames, Plans now call for a limit of eight 6 page frames for each exhibitor. Possibly this limit may be changed later. Frames will be \$2.00 each. Several members have already made their tentative reservations but we know others are interested.

For hotel or for frame reservations please write Lee H. Cornell, 604 Orpheum Bldg., Wichita 2, Kans.

Also, in order to do our part toward awards, etc. USCC needs to raise some extra money. Members wishing to do so may make donations. To receive these donations we are setting up a separate account. Just send to your Secretary with instructions. Also the Club can supply autographed copies of Lee Cornell's TALE OF THE KICKING MULE at \$2.00 each. Mr. Cornell is donating the books to the Club for this purpose so the entire \$2.00 for each one will be available. Send orders to your Secretary, C. D. Root, 855 Cove Way, Denver 9, Colo. We shall try to report on progress in subsequent issues of the NEWS.

Many thanks to Jack Robert Hughes and to Ralph C. Huntington for gifts toward the expense of the NEWS.

SALES DEPARTMENT

Please use more care in checking your purchases. Many circuits returning to the sales manager show small errors in one or more reports. When the author of an error is easy to identify he will be notified by postal card. The cost of this is approximately 5ϕ so we have been authorized to add 5ϕ to the amount of the error. When the member making the error is impossible to determine our rules allow us to charge it to the last member of the list. This we have never yet done since the amounts have been small and our insurance fund has been able to absorb them. We hope that we will not have to use this rule.

Also some members impose on our good nature by holding circuits much longer than they should. This also adds to our expense since we have to send a card of inquiry on every circuit from which we have not had a recent report. Please be more prompt in forwarding circuits. Please be sure parcels are wrapped securely and that all unused report blanks and the CIRCUIT LETTER are enclosed.

Sometimes the circuit letter becomes lost. When this happens please DO NOT throw the whole mess into a box and return to the sales manager. Please DO write the sales manager telling him what you have and asking for instructions. The sales manager has already paid transportation on that circuit to the first member on the list and should not be expected to pay again to another member which he must do if it is returned to him before the last name is reached.

In preparing books of stamps or covers for the department please remember that our circuits are divided between the 19th & the 20th Centuries. Your material will travel all around much more quickly if material from the 19th Century is not included in books of 20th Century items. Some of our members limit their collecting activities to the 19th Century and some collect only 20th Century items. Since we try to give your material every chance to sell books containing material from both centuries have to go to more circuit groups.

We have foreign covers from many different countries, some old, some recent, many quite unusual. So far these have been sent out only on a special selection basis but, if a large enough number of you are interested we could very well make up regular circuit lists for them. Please notify the sales manager if interested. If we have what you want a selection will be sent promptly.

MANUFACTURERS AND IMPRESSIONS

Like all mortals, Pike has been proven in error on his chart as follows: Barry Type F is now believed to be of Hampden manufacture; Type J, Pneumatic; Type U, Doremus; Columbia Type D, Doremus; and Cummins Type E, Time Marking.

We owe a great deal to the late A. H. Fike for all the research work he accomplished in the late 'teens and early 'twenties. It is with pleasure that we reproduce his charts as printed in "The Collectors' Digest," Whole No. 9, for June - July, 1922.

AMONG OUR MEMBERS

Arthur H. Bond (#505) is doing research on the manufacturers of the early handstamps that were used as town-marks prior to 1870-especially in the period 1799-1840. He will appreciate information that can be furnished by any member. Address: A. H. Bond, 18 Beechwood Road, Ho-Ho-Kus. N.J.

Rev. Frederick K. Smyithe (#173) has been put in charge of all Indian work of the Episcopal Church in North Dakota.

Robert H. Miller (#393) received an APS medal for his exhibit of New York Foreign Mail Cancellations at the annual exhibition of the Philatelic Society of Pittsburgh in November.

Earle E. Andrus (#496) exhibited several frames of 19th Century USA at the show put on by the Kent Philatelic Society of Grand Rapids, Mich. in October. He received the Grand Award for the best exhibit at the Show and also first award in the USA section.

Barbara R. Mueller (#360) has received an APS award for her serial article, "The Day of the Stamp and Associated Special philatelic and Postal Events" which appeared in the AMERICAN PHILATELIST late in 1958 and early in 1959.

Robert Pritchard (#454) received a Bronze Medal at the Interamerican Show held recently at Buenos Aires for his exhibit of booklet panes.

At the Convention of the Illinois Federation of Stamp Clubs held in Bloomington late in October awards went to the following: Augustus Hendelman (#296) "U. S. of America, Early American Covers from Each State and Territory"; Daniel A. Stone #53) "Forgeries and Counterfeits of the World"; Robert Pritchard (#454) "Margin Edged Miniature Sheets".

1961 DUES

The response to our dues notice sent with the November NEWS has been very good but there are still a number of you whose dues for 1961 have not been received. If you are one of these please take care of it now while you think of it. The amount is \$3.00.

20th CENTURY UNITED STATES FANCY CANCELLATIONS

Since the double page from the Loso-deWindt book which we illustrated in the September issue was favorably received we are giving you another in this issue. On page 60 we show you a part of the 45 different cancellations which have been credited to Ed, Ky. Your Editor knows nothing of this town except that its postmaster was active during the period which produced these cancels. Both Mr. Loso and Mr. deWindt were members of USCC while compiling the material for their book. In fact our copy of the book is autographed by Mr. deWindt.

U S CANCELLATION CLUB BENEFITS OF MEMBERSHIP

As a supplement to this issue of the NEWS we enclose an up-to-date copy of our prospectus, "Benefits of Membership". This is not changed except in the interest of brevity generally and by adding the new acquisitions to the Club's Library. The use of our Library is increasing all the while. It now contains 38 different items of which a few are unique.

The Secretary will be glad to send a copy of this prospectus along with a sample copy of the NEWS and an application blank to anyone you may wish to suggest. Just send in the name to 855 Cove Way, Denver 9, Colo.

ROMPEX 1961

Philatelic organizations in the Denver area are cooperating to make this show the best ever held in Denver. At the same time, Oct. 6-8. TMPS will be holding convention in Denver. For information write John Willard, 1025 Monroe, Denver 6, Colo.

INTERPEX 1961

Interpex 1961 will be held from Friday, March 17 through Sunday, March 19th, 1961 at the National Trade Show Building, 35th St. & 8th Ave., New York, N. Y.

Postal Slogan and Meter Society will be represented there with a lounge and competitive exhibits. For information write Moe Luff (#262) 12 Greene Road. Spring Valley, N.Y.

LIBRARY

Three items have been added to our library recently:

#36 Nassau Street by Herman Herst Jr.

#37 Priced Catalogue, John Fox auction, Nov. 14-6. #38 Providence, R.I. Postal Markings & Cancellations before the Twentieth Century.

These are available to members in the usual manner.

It has been suggested that members able to do so add to the information given in the Fox Catalogue and also that corrections be made if any are warranted.

#38 is the series of articles by John H. Smith which appeared in serial form in the NEWS. Any of you who would like a copy of this book should write Mr. Smith at 35 Baker St., Providence, R. I.

Your Secretary wishes to thank the many members who remembered him with cards this Holiday Season.

THE SALES DEPARTMENT

The Sales Department of USCC is operated much the same as are those of other philatelic organizations.

We operate six different types of circuits:

- 1. 19th Century off cover only
- 2. 19th Century covers
- 3. 20th Century off cover only
- 4. 20th Century Covers
- 5. Foreign covers
- 6. Special Selections

Circuits consist of about 12 books of stamps or of about 20 of covers. Circuit groups are made up of from 6 to 15 members and are arranged geographically to reduce cost of transportation to a minimum. Each circuit is accompanied by a letter giving full instructions for handling and a list of members to whom it is to be sent as well as a list of the books of stamps or covers included. Each member, in turn, inspects it as promptly as possible, taking those items he wishes and signing for them in the space provided. He then fills out a report blank and mails it along with remittance for material taken to the sales manager, (The Dept. is run on a cash basis), and forwards the circuit to the next member on the list, using either express or parcels post. On the regular circuits members pay transportation to the next on the list only. On special selections members pay transportation both ways, from the sales manager to them and back again.

Members wishing to sell material through the Department may get from the sales manager, sales books for 120 stamps @10¢ each, cover envelopes for up to 20 covers @ 5 for 25¢ or cover books with 12 separate containers, to give better protection to valuable items, for 20¢ each. All are specially prepared and have printed instructions, as well as space for describing the contents. Any stamp or cover which has passed through the mails may be entered. All items must be priced net and where possible pertinent information should be given. Each book or sales envelope received by the Department will be assigned a number and the owner will be notified. All material in the sales department stock is fully covered by insurance while in the possession of any member or in transit between members. This applies wherever the member may live and it is not necessary to insure parcels post shipments after the material has once been entered in the stock.

In addition to the cost of the sales books and envelopes the Sales Department charges are as follows: 1 1/2% of original retail value for insurance (minimum charge on each sales book or envelope 25¢) and 15% of actual sales made for the Sales Manager's commission (Minimum charge for this too on each sales book or envelope 25¢). These two charges along with cost of returning remainders to owner will be deducted at the time of retirement. Sales books and Envelopes will be retired and settlement made when they have been all around or when they are too far depleted to send out again. The length of time required will vary somewhat depending on saleability of material and promptness of members in forwarding circuits. We try not to keep any sales book or envelope over 18 months but some do run over this.
