HARTSHORNE

Mr. J. L. Hargett (#508) discovered these three covers in an accumulation of covers and cards which he recently acquired. Neither he nor Gaspere Signorelli (#368) had seen this cancellation before. These may be the only copies in existence showing this fanciest of fancy killers from Indian Territory.

Hartshorne, which still exists, is located in the heart of the coal mining region of the Coctaw Nation. A Postoffice was established there on March 5, 1890 with Henry Martyn as Postmaster. The C, O & G RR was later absorbed in the Rock Island system.

This Cancellation which is struck twice on each of the covers, has so much detail it is difficult to reproduce accurately. It was used at least 2½ years, January, 1896 to June 1899. It appears to be a reproduction of three or more Indian symbols including at least two dolls.

ROSTER

With this issue of the NEWS we include the annual roster, corrected to April 25, 1962. It consists of an alphabetical listing of all members with their addresses and their collecting activities also included is a list of members by states and cities.

ILLINOIS CANCELS

On pages 23-6 are shown more of the Illinois cancels as drawn by Richard Russell (#444). We plan to end this series with the July issue to be resumed later. We would be glad to use such a series from other states. Members interested in producing such series are asked to notify the editor.

VACATION

Mrs. Root and your Secretary are planning a trip of about a month to start about the middle of May. Mail will be cared for but not acknowledged.

In remitting for small purchases from the circuits please send either cash or unused USA stamps. However please do not send stamps which have no gum or special purpose stamps like airs, special delivery etc. Of the regular issues all values to 50¢ can be used.

"RETURN REQUESTED"

Recent amended regulations of the Postoffice Department in regard to 3rd & 4th class mail require the above notation on all shipments which are valuable enough to preserve. The dept. has put a stop to forwarding any such pieces even in the same city or town. Please be sure we get your changes of address promptly since each copy of the NEWS sent to an address no longer the correct one will be returned to us with the new address noted and with postage due 8¢. Postage due on packages returned in the same way will be the same as the postage originally paid with the minimum 8¢.

DeWASSERMAN

The illustrations on page 22 are of cancellations recently acquired by Dr. Robert deWasserman (#418), proof that fine US Cancels can be acquired in Europe. Information on those whose origin is in question would be appreciated.

STAMPS

These two Cancellations were sent in by John Roberts(#526). The first is on a pair of Scott's #11 and the color is a blue-green which Mr. Roberts calls a Louisville color. He would like to know if it could be a part of the hand stamp, "OLD STAMPS, NOT RECOGNIZED" used in the early sixties.

The second which looks like a lobster is on Scott's #161. Information as to town of use would be appreciated.

LIBRARY (PLEASE READ)

Our Board of Governors has authorized the appointment of Mr. William J. Bomar (#483) as Librarian. From now on he will handle our Library. Instead of returning them to the Secretary, those of you who have items from the Library are asked to send them, when finished with them, to Mr. Bomar at 1846 153rd Ave. NE, Bellevue, Wash. unless he directs otherwise. We hope to include a new list of our Library with an early issue of the NEWS. Please remember: MEMBERS REQUESTING ITEMS FROM THE LIBRARY PAY TRANSPORTATION BOTH WAYS ON THEM.

The May 1 issue of WESTERN STAMP COLLECTOR devotes considerable space to an article by Herman Herst Jr. (#452) on "The European Stamp Market Today". As usual Mr. Herst speaks from experience and his comments make interesting reading. Apparently dealers there are looking hard for fine USA material both in covers and stamps.
