VOL. 9 - NO. 10 - WHOLE NO. 101

JULY - 1969

Combination Cover. Scott Nos. 87, 88 and 89, the 2¢ Blackjack, 3¢ Rose and 10¢ Green, all with E Grill, make up the 15¢ rate on this cover from Buffalo, N. Y. to Paris. In addition to the Buffalo postmark and the Circle of "V" killer in black, there is a New York transit in black, with the date June 25, and a Calais transit marking in blue, July 8. The straightline mark in black INSUFFICIENTLY PAID is supported by a black crayon 16, indicating 16 Centimes due. The letter was overweight. The original contents are present, and in addition to the long family epistle, there is a clipping from a Buffalo newspaper describing a wedding in Cleveland. A docketing establishes the year as 1868.

SPECIAL SERVICES BY THE NEW YORK POST OFFICE

In the April 26, 1969 issue of STAMPS, Mr. Edward L. Willard (#125) had a short article discussing another special service rendered by the New York Postoffice to passengers on outgoing steamers. The cover illustrated is franked by a single 2¢ Brown and is postmarked Mar. 8 84. Also on the cover is the stamp shown above. It is addressed to Mr. John B. Hostlet, "Passenger by the Cunard S.S. Servia", New York City.

Definitely this is not a Supplementary Mail Marking but that of another unusual service by the New York Postoffice.

Mr. E. D. Piper, Librarian of the Garfield-Perry Stamp Club who has been indexing Philatelic Periodicals for the Club's Philatelic Reference Collection for some 20 years adds to this by stating that STAMPS for July 12, 1952 published an article by the late Harry Konwiser discussing the use of a similar hand stamp in 1883 which cancelled a Canadian stamp on a cover addressed to a "Passenger by the City of Rome", New York.

Covers with this marking appear to be very rare. Any of you who know of such covers would be doing us all a favor by notifying Mr. Willard or your Editor.

SLOGAN CANCEL ERROR

Lawton, Oklahoma is using a slogan cancel this year. "Fort Sill Centennial
100 Years of service
1869 - 1969"

Capt. F. H. Hemphill Jr. (#733) suddenly noticed that on a letter received from Mrs. Hemphill the name was spelled "STILL". He has several copies of this error on cover all from his wife and all addressed to him at his APO #. These were mailed late in March or early in April. The specimen he sent us was postmarked March 29. We hoped to show this cover, but the error occurs on the black 4¢ stamp and does not photograph too well although it certainly is discernable on the cover. The error was discovered by the Postal Dept. and corrected after being in use only a short time. But any of you who have correspondents in Lawton, Okla. might well inspect any of those covers you still have. This may well be a rarity.

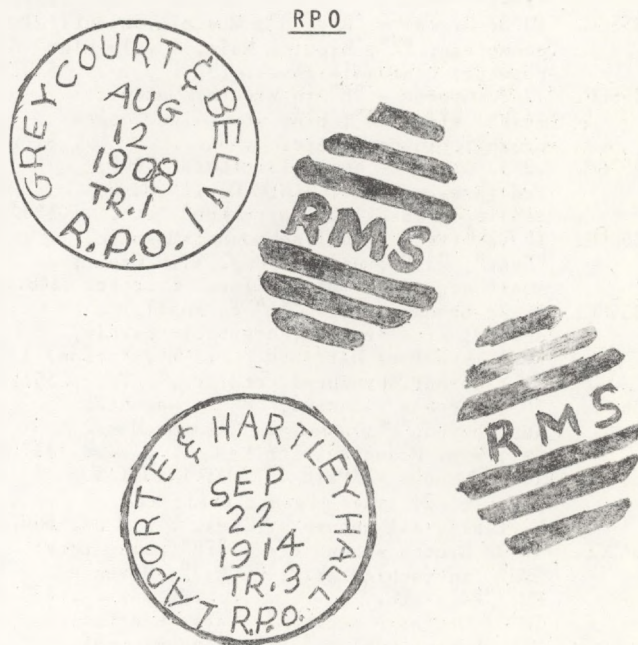

POSTMARK COLLECTORS CLUB OF THE WORLD

We get frequent inquiries from prospective members who assume that USCC is made up of Post-
(Cont. next column)

mark Collectors. While many of us do like to have the Postmark along with other postal markings, this does not appear to be the main interest for our members. However there is a club devoted to this activity. In fact it is holding a convention at the Imperial House Motel in Findlay, Ohio August 8 - 10, 1969. Information about this Club may be obtained from Robert K. Francis, 11 Jeralds Ave., Yalesville, Conn. 06492. Be sure to include a stamped and addressed envelope.

ELBERT HUBBARD COMMEMORATIVE

Since 1969 marks the 70th anniversary of "A Message to Garcia" his classic essay, the East Aurora Philatelic Society is seeking the issuance of a Commemorative honoring Elbert Hubbard. Any of you who are interested should write Hon. Winston M. Blount, Postmaster General, Washington, D.C. 20260 and, if possible, send a copy of your letter to the East Aurora Philatelic Society, P. O. Box 72, East Aurora, N.Y. 14052. This information from Roger W. Kline (#551).

(on a picture post card Greetings from Hartley Hall, Pa.)

The Postmarks illustrated above are from Covers in the Collection of Gene Mickel (#766). These are illustrated particularly for the purpose of finding out more about them or the Railroad Lines concerned. Perhaps those of you who have made a study of these markings can enlighten us. If so, please write the editor or Mr. Gene Mickel, 265 N. Main St., Phillipsburg, N.J. 08865.

SLIGHT ACCIDENT

On Memorial Day as your Editor etc. was trimming a Lilac Bush the stepladder slipped a little and deposited Editor on the ground. When medical attention could finally be secured and X-Rays taken on the next Monday a crack was found in one vertebra. In a few days a metal brace was fitted which has to be worn at least through July. Please be as patient with him as possible.
