ILLINOIS CANCELS

On pages 32 & 33 we show two more pages of
excellent drawings sent in by Richard Russell
(#444). Still more are to come.

FRONT PAGE

The Cover and Tracing shown on the front
page were sent in by Mr. Edward L. Willard (#125).
He writes: "For Many Years I have tried to locate
the place of origin of a "lined mask" shown as
#1344 in Herst-Sampson. I have long had a copy
off cover but never knew where it came from.
Recently I have been collecting Fort Covers and
have the answer. It is from Fort Leavenworth,
Kans. I neglected to include this cancel in my
book. Right now I am working on a second edition
which may take a couple of years."

Collectors interested in the Cancellations
on the 2¢ Brown (#210) will be looking forward
to this second edition.

PLEASE READ AND COMMENT

Many USCC members have asked why our Club
has not become a unit of APS. In checking I find
that there are some 25 Units now and members of
the Units are happy with the APS affiliation.
There is no conflict between the Units and APS
as they have their own officers, sales departments,
research departments and Librarys. The
separate Units of APS do not lose their identity
but appear to gather national recognition which
could be beneficial to our members.

Please send comments to C. D. Root, 855 Cove
Way, Denver, Colo. 80209.

PAGE 34

On page 34 we show three cancellations sent
in by Mr. Lawrence L. Williams (#377). The "Mor-
ton Salt Girl" is blue on the 2¢ green Bank Note.
It is a beautiful killer and must have been
striking on a stamp of another color. The other
two cancels shown are in black on 3¢ Green stamps
and Mr. Williams is asking if anyone can tell him
where they were used. Write him or the editor.

C. Russell Moir (#109) whose death is noted
in this issue had a large accumulation of what
his widow calls "cancellations". I suspect that
they are mostly 20th Century Covers of different
types since he has been on our circuit group for
such material for many years. Mrs. Moir wonders
what she can do with them. Anyone who feels an
interest might write her, Mrs. C. R. Moir, 225
E. Fifth Ave., Roselle, N.J. 07203.

Attempts are being made to promote study of
the Postal History of Single States. Right now
we have information of such promotions from col-
lectors in two States, New Jersey & Pennsylvania.
There are such groups in several States already.
The one we know the best is in Wisconsin. This
is due to the fact that many of the officers have
been also interested members of USCC. Those who
are interested in having such a group formed in
New Jersey may write South Jersey Chapter 154,
APS, Box 1031, Merchantville, N.J. 08109. Those
who wish to help promote such a group for Penn-
sylvania may write Sidney Fingerhood (#877),
2225 Bryn Mawr Ave., Ardmore, Pa. 19003.

Wm. R. Weiss Jr. (#863) was the author of a
long article on "Essays & Proofs of the US 3¢
Stamp of 1861-1867" which appeared in the ESSAY-
PROOF JOURNAL. Mr. Weiss also received the
CLARENCE BRAZER MEMORIAL TROPHY as well as a
Silver Medal at SOJEX for his exhibit, "Essays &
Proofs of the U.S. Issues of 1861-1867".

Gayle A. Foster (#958) exhibited 7 frames
of "Characteristic and Fancy Cancellations on
U.S. Postal Cards" at BECKPEX. (Fullerton, Cal.)
and received 5 awards, including the Grand Award
and "Best in Show".

William K. Herzog (#879) exhibited his "US
1861 thru 1868" at COMPEX (Classics section) and
at NOPEX and received a Gold Medal at COMPEX and
a Silver at NOPEX. At the Annual show of the
Saginaw Valley Stamp Society he showed "Civil
War Covers, USA-CSA" for the Grand Award.
